Institution: Bafakhy Yatheem khana Arts and Science College for Women, Kalpakanchery

Date: 20/11/2025

Time: 10:30 AM

Venue: Seminar Hall

Eco Club Convenor: Sumisha K

### **1. Title of the Programme:**

Green Minds Awareness Class & Pond–Garden Revitalization Drive

### **2. Objectives of the Programme**

- To promote environmental awareness among students.
- To encourage active participation in eco-friendly campus initiatives.
- To revitalise the college pond and garden area through cleaning and beautification.
- To provide students with practical exposure to sustainable practices.

### **3. Resource Person:**

**UMMER CHIRAKKAL**

Environmentalist; Member, Forest Tirur Block Hariththa Smithi

(Delivered inaugural address and awareness session)

#### **4. Brief Description of the Programme:**

The Eco Club, in collaboration with NSS and IQAC, organised an awareness session and campus eco-revitalization drive titled “Green Minds Awareness Class & Pond–Garden Revitalization Drive.”

The programme began with a formal Eco Club inauguration, followed by an awareness class led by the invited environmentalist.

#### **The session highlighted:**

- The importance of environmental conservation
- Water body protection
- Community participation in sustainability initiatives

Following the session, students engaged in pond cleaning and garden beautification activities around the campus.

#### **5. Activities Conducted**

- **Eco Club Inauguration**

Introduction of club objectives and annual plan.

Opening remarks by faculty members and convenor.

- **Awareness Class**

Interactive session on environmental protection.

Discussion on biodiversity, waste management, and climate responsibility.

- **Pond Cleaning**

Removal of waste, weeds, and debris from the pond area.

Students worked in groups guided by volunteers.

- **Garden Beautification**

Planting saplings and ornamental plants.

Cleaning pathways and arranging plant beds for aesthetic improvement.

## **6. Number of Participants**

Students: 65

Faculty: 9

## **7. Outcome of the Programme**

- Enhanced student awareness regarding ecological conservation.
- Improved cleanliness and visual appeal of the pond and garden area.
- Students gained hands-on experience in environmental care activities.
- Strengthened collaboration between Eco Club, NSS and IQAC.

## **8. Feedback Summary**

Participants expressed that the session was informative and motivating.

Students appreciated the opportunity to engage in real environmental work within the campus.
